

Campus Feedback Sessions

City Church

Area	Discussion Points & Suggestions
Demographics & Inclusion	* More men and more students interested in church.
	* Cornerstone doesn't reflect the Riccarton community.
	* Single mothers and blue-collar workers don't feel comfortable.
	* Asians often don't stay: How do we change this? (e.g., live sermon translation, copies of sermon in Mandarin).
Congregational Transitions	* Some way to help Campus Church (CC) people moving to City Church.
	* Transition — ways to welcome them.
Service & Participation	* Need to allow people (even kids) to participate up front, even if it's not polished/perfect (e.g., read the Bible, pray).
	* Mid-week service?

Venues & Facilities	* Own venue with parking and kids' space.
	* Focus on Campus Church: Very important to stay focused! Venue must be close to Uni.
Youth & Kids Ministry	* Youth group -> Campus Church.
	* Youth group growing.
	* Kids' ministry: Need to have a clear strategy/curriculum leading up to 18 years, including narrative stories from the OT.
Prayer Ministry	* Prayer ministry group — triplets.
	* Prayer before service, mid-week, and after service?
	* Encourage a culture of prayer in service.
Community & Intergenerational	* Importance of intergenerational relationships.
	* Deliberate activities involving all three congregations.
	* Older people attending Campus Church.
	* Mystery lunches — to get to know/encourage each other.

Discipleship & Training	* Make disciples; grow in discipleship.
	* Apprentices / Part-time ministry apprenticeships.
	* Pastoral care through growth groups (but some people are not in G.G.; consider capacity of leaders).
	* Advantages of our demographic: +5 years, parents more available for ministry.
